Mr. James E. Durbin
Virginia Beach, VA 23451

Dear Mr. Durbin:

Thank you for your letter of March 16th about your plan to ride across the United States to share the gospel. I praise the Lord that He has given you a burden to go to areas of where there are such great needs.

This is a unique way of "-going into the highways and hedges" and compelling people to come to Christ, and I wish you well.

I know that God, in His own marvelous way, will provide whatever is needed for you to fulfill the vision he has entrusted to you. We serve a great and mighty God!

Sincerely,

Pat Robertson
Chairman of the Board
